For the church, that our leaders together with the bishops of Sudan continue to the bearers of the Good News and serve as examples of peacemakers we are called to be, we pray to the Lord

Response: Prince of Peace, hear our prayer

For all government and political leaders, that God guides their decisions and deliberations and their work to ensure peace for the people of Sudan, we pray to the Lord

Response: Prince of Peace, hear our prayer

For observers, poll workers and the media, that they understand the importance of their role in Sudan and do what they can to ensure fairness, justice and peace, we pray to the Lord

Response: Prince of Peace, hear our prayer

For those of us gathered here, help us to be bearers of peace in our own communities as we walk with our sisters and brothers in Sudan, so that we all will be called peacemakers and children of God, we pray to the Lord
